ABOUT ME

I'm a passionate UX/UI designer with over 3 years of experience designing engaging, easy-to-use digital products. I love turning complex ideas into clean, attractive designs that users enjoy. Always eager to learn and grow, I enjoy working on prototypes, conducting usability tests, and collaborating with teams to bring concepts to life.

EXPERIENCE

UX/UI Designer ONE DatAI   **Dec' 2021 - Present**

- Led design for complex B2B platforms focused on data visualization, including mashups, web applications, and internal tools
- Designed and maintained components as part of a scalable design system; collaborated with QA and conducted user research
- Created responsive designs for both web and mobile, with an emphasis on usability and accessibility
- Produced low- and high-fidelity wireframes, built interactive prototypes, and conducted user testing
